HOW WE GOT HERE

OpenSource

PRODUCT DEVELOPMENT MODEL

PARTICIPATE

We participate in and create community-powered upstream projects.

INTEGRATE

We integrate upstream projects, fostering open community platforms.

STABILIZE

We commercialize these platforms together with a rich ecosystem of services and certifications.

FROM COMMUNITIES TO ENTERPRISE

We take this massive innovation happening in open communities and deliver it in a **safe, secure, reliable** way so enterprises can consume it in their traditional infrastructure.
